Choices for non-prime period time shall be in increments of five (5) days

C. Method of selection. Carriers shall indicate their selection for the choice period on a list posted on the union bulletin board. Carrier craft employees will have two (2) working days, i.e., days they are normally scheduled for duty, to select their desired vacation pick for the choice period. Failure to select within this specified period will automatically entail that selection be passed on to the next senior employee. Seniority for selection will be adjusted at the point in time when the passed employee desires to make selection. Passed employee must select from the slots available at time of selection, and if insufficient slots are available, adjustments will be made in accordance with Item 7 of the Memorandum. **After Career Carriers have made their selections City Carrier Assistants may select one full week during the choice or non-choice period, from remaining slots, leave will be granted contingent upon the City Carrier Assistant having sufficient leave balance when the leave is taken.**

In emergency situations, which preclude an employee from selecting within the specified period, the responsible Supervisor will report this matter to the Postmaster, who will notify the President, Branch 84, NALC. Emergencies will be viewed as, but not limited to, illness, injury or other situations based on equity.

Exceptions of the two (2) week notification requirement will be resolved in the manner stated in paragraph E above, i.e., emergency.

B. Attendance at union conventions shall be charged as a choice vacation selection. At the beginning of each year when the convention week has been determined, the union will submit a list of official delegates to the Supervisor, Customer Services Support. Sufficient slots for eligible delegates shall be withheld for the appropriate week.
