

## NALC LABOR/MANAGEMENT MEETING City of PGH Agenda

May 31, 2018 – 9:00 AM

Agenda Item	Submitted By:
COP issues (improperly inputting injured on the job carrier's times causing pay issues)	NALC
Union needs a POC for reports and clock rings other than supervisors, managers or MCSO's. to stop the run-around and delays which could cause important time sensitive info to be lost. (Ed Ribar was the prior contact for the six Stations included in the recent settlement)	NALC
Clock Ring Integrity	NALC
3996's not readily available, confrontations with management when carriers submit them. (not receiving copy back (3996's not furnished with cuts)	NALC
Carriers scheduled in (mostly CCA's) & then called off last minute in the morning. Some of them travel 45 minutes or more, with small kids that have already been dropped off at daycare	NALC
Equalization of start times for each section within an Installation	NALC
Submitted 3971's not addressed at all or within a reasonable time after the leave request.	NALC
